crashout gain double when team
health is below 75%

Zen

(1) Once per combat, the first time you drop to 50% health, enter Zen: gain a 1200 health shield, +10% durability, and heal 200 health per second. While in Zen you cannot move, attack, cast, or gain mana, only heal. When the shield breaks or you return to full health, revert to your angry form; your max mana is then reduced to 60 for the rest of combat. Your first cast after entering Zen deals 50% more damage.

Rogue

(1) If this unit starts combat without any adjacent allies, it gains a 500 health shield

Soul Bonded

- (1) Latios: your team gains 10% Attack and Sp. Attack. Latias: your team gains 10 Defense and Sp. Defense.
- (2) Both bonded: your team gains both buffs, and Latios and Latias each gain 1.5× Sp. Attack and Sp. Defense.

Shock Spirit

(1) If Tapu Koko is your strongest Tapu, he summons Electric Terrain at combat start: allies gain 15% Attack Speed and 15% Tenacity (crowd control is 15% less effective) for the first 10 seconds of combat.

Earth Spirit

(1) If Tapu Bulu is your strongest Tapu, he summons Grassy Terrain at combat start: allies heal 10% of their max health every 2 seconds for the first 10 seconds of combat.

Wave Spirit

(1) If Tapu Fini is your strongest Tapu, she summons Misty Terrain at combat start: allies are immune to crowd control for the first 10 seconds of combat.

Mind Spirit

(1) If Tapu Lele is your strongest Tapu, she summons Psychic Terrain at combat start: enemies have 25% reduced Attack Speed for the first 10 seconds of combat.
